

## **Arizona Bald Eagle Nestwatch Program**

### **Southwestern Bald Eagle Management Committee (Arizona)**

The Southwestern Bald Eagle Management Committee was created in 1984 to address the needs of the bald eagle and its habitat in Arizona. This unique collaborative partnership of over 23 entities has proven very successful. In particular, their Arizona Bald Eagle Nestwatch Program has been instrumental in directly saving the lives of numerous individual bald eagles and protecting over 50 breeding and nesting areas in the State.
